Break-Outs

Solid Works -- Gary Roberts, Wasatch High school

Inventor -- Dave Manning, UVSC

Archicad -- Software Rep - Graphisoft

Google Sketch-up -- Software Rep

Mining Solutions -- David Hibbs, Utah American Energy Inc.

GIS & GPS --

We would ask you to please bring your lap-tops and whatever other support you will need. We are hoping that this conference will allow us to become better teachers by getting to know each other better and allowing us to set up a strong support network to assist each other with the software we are each using. Hands-on training is always the best for learning, teaching and using software.

This is a work in progress, and may change before next week. The presenters that are listed have been contacted and have agreed to help us.

We also have several company reps lined up for support. (GIS, Dimension, The Cad Store, etc.)

CTE Summer Conference Task List

\$74.00 Dbl

Trailers or Campgrounds:

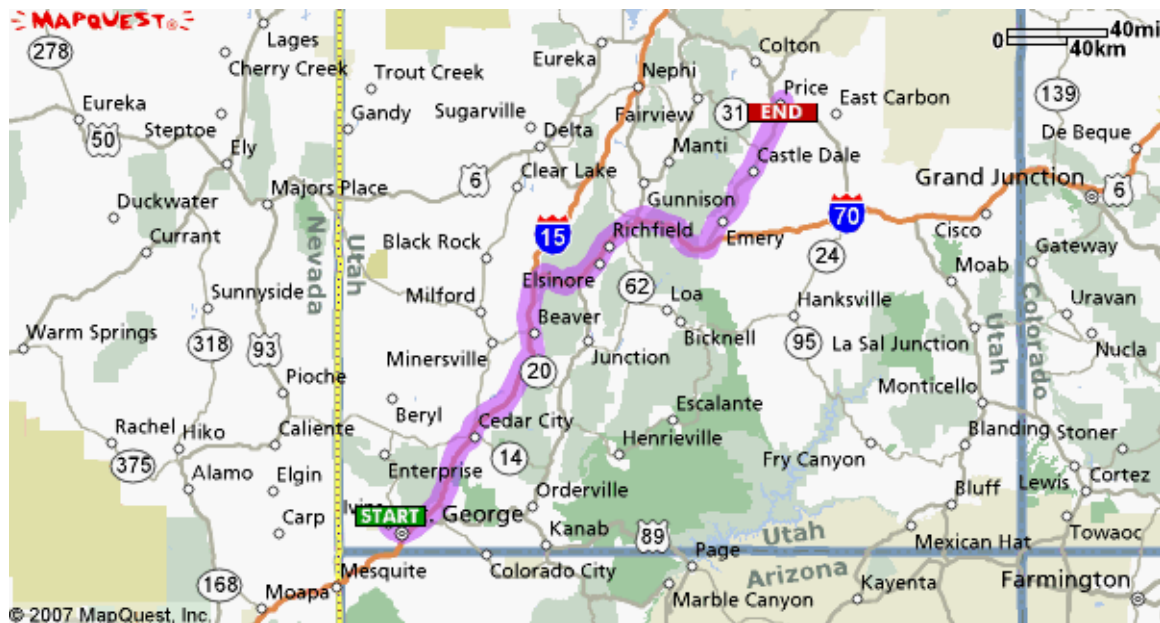

There is one located outside of town on Carbonville road. They charge \$26.00 per night, and they don't have much to offer. Their number is 435-637-2424

There is another campground about 7 miles away it is located in Wellington, they have wireless internet, swimming pool, a restaurant. They charge 16.99 per night. Their number is 435-637-7980

Arrangements have been made with the College parking manager. Elias obtained permission for anyone to park on the south parking lot it is just a few feet from the building and is close to the park and the swimming pool. The best part is that parking is FREE! (Check with Elias for more information)
